

# **COMMISSION ON AGING**

## **ROLES AND RESPONSIBILITIES**

Established May 4, 1985

Presented by Mrs. Boisvert

The Commission on Aging will perform an ongoing study of needs, conditions, coordinating programs for the aging in the Andover community and shall make recommendations to the Board of Finance.

The Commission may organize itself in whatever manner it may determine in order to carry out its duties. Members of the Commission shall serve until their successors are designated and appointed.

The committee shall consist of five members with the provisions that the Board of Selectmen may increase the number of members if deemed necessary. Members of the Commission who fail to perform their duties, may be removed from membership by the Board of Selectmen. Vacancies in membership shall be filled by the BOS for the balance of the year. Members shall serve without compensation, but shall be reimbursed for their reasonable and necessary expenses. The Town shall make appropriations to cover the expenses of the Commission.
