

TOWN OF ANDOVER  
BUILDING OFFICE

"AS-BUILT" REQUIREMENTS

Prior to issuance of a Certificate of Zoning Compliance for all new residential construction, the property owner shall provide an A-2 record drawing of the subject property showing the following:

- 1) All boundary lines;
- 2) Required setbacks;
- 3) Location of all structures as defined by the Andover Zoning Regulations;
- 4) Well location;
- 5) All monumentation shall be noted.
- 6) Driveway location and slope when, in the opinion of the Zoning Agent, such information is necessary to ascertain compliance with applicable regulations and/or approved site plan.
- 7) Other information as deemed necessary by the Zoning Agent.
