

# Andover Town Roads

## Invitation for Bid

### Addendum No. 1

**Deadline Extension:** The deadline is being extended to **1:00 pm on Thursday, September 1<sup>st</sup>**.

All bidders must submit qualifications and sealed bids **to the Andover Town Clerk**. Bids will be received by **the Andover Town Clerk, Town Hall, 17 School Road, Andover, Connecticut, 06232 until 1:00 PM on Thursday, September 1, 2016**, at which time they will be publicly opened and read aloud at the Andover Town Hall. Bids received after the time of Bid Closing will be returned unopened.

**Clarifications:** The following clarifications are based on questions from prospective bidders.

**Q:** Are you looking for a paving contractor to provide a phased plan and actual costs for road work or an engineering consultant to evaluate the roads and prepare a plan to prioritize repairs and provide estimated costs?

**A:** The request is for an Engineer or qualified consultant to conduct an evaluation and provide recommendations on a **five year**, detailed plan. This plan should include the most cost effective method of repairing and/or replacing roads as needed. Identified repairs and/or replacements should be prioritized.

**Q:** What requirements do you have for a consultant?

**A:** The consultant does not need to be an engineer, but must have broad range experience in road maintenance. All bidders must submit a summary of relevant experience.

**Q:** How many copies of the proposal you want?

**A:** Bidders are to provide 3 copies of the proposal.

**Q:** How much detail in the fee proposal you want?

**A:** We are not requesting a fee proposal for the actual road work, only for an evaluation of the roads. Therefore, a lump sum fee proposal will be sufficient.
