Re: Final Results of Survey sent to Seniors

The final tally is in for the survey and listed below are the latest numbers

- 215 Yes
 - 34 No
 - 7 No Opinion
- 256 Total Surveys Received A/O 8/29/2019

As mentioned in my August letter to the BOS I would report the comments to you this month:

Of the comments returned I found the most interesting was the mention of "I go to Plainville SC", "I go to Vernon SC", "I go to Ellington SC", and "I go to Bolton SC". These comments informed me there is something lacking in our SC. I know it's not the great leadership of Judy Knox, nor the Bingo (our seniors love it) and it's not for lack of entertainment that Marge Surdam arranges each month. It can't be for lack of transportation as Andover has one (if not the best) leading transportation services provided by all SC. We offer Tuesday shopping, Wednesday Food Share/Food Pantry, Weekly luncheon program, Medicals four days a week, handicap accessible services, a monthly movie, many assorted trips organized by Georgia O'Brien, a weekly phone service to contact our seniors to let them know where we are driving each week and rides to voting and BOS, Public Hearings, Town Meetings-so what can it be? The only possible thing that comes to mind is we do not have a place to call our Senior Center. We currently use the community room for our meetings, the AFD building for our movies, Andover Pizza Restaurant for our luncheons.

Positive comments mentioned "great idea", "great solution", "good opportunity", "thank you", will other meetings take place besides senior activities, is there parking available, where will food come from.

There were 34 no replies such as: "build a senior center", "build a senior center near senior housing", use \$130K to renovate OFH, build a community room/senior center.

7 no opinion – "did not use the SC", "never been to any senior activities"

I want to thank the BOS for the great suggestion to put out the survey to seniors. It was well worth the time spent.
