Why do we do this?

Mission Statement

To provide a creative and challenging curriculum for ALL in a safe environment while nurturing the values of responsibility, respectfulness and a desire for learning.

Vision Statement

AES will create a safe educational environment that establishes a foundation for students to become creative, moral, and compassionate people, kindling in them an enthusiasm for learning. In collaboration with parents and community, we will strive to foster the development of students to become responsible and productive members of our society.

What has changed in Andover since last year's budget that needs to be considered?

- Covid-19 pandemic shifted Andover and the world to distance learning
- · New Superintendent
- · Reopening plans solidified with the state
- New Teacher contract
- School reopens requiring many supplies and changes
- Enrollment has remained stagnant
- Teacher MOA agreed upon
- · Non-cert contract being negotiated
- Business offices merged to include one Business Manager for both the town and BOE and new Assistant position
- New requirements for safety and health need to be implemented

How will we do this within AES logistically?

- Staffing: we will not get rid of a single staff member despite the loss of one job
- We will assign a permanent part time staff position to keep us prepared for any potential distance learning in the future (.2) who will also assist in the process of upper grades changing classes
- Due to a comparable enrollment, we will continue with the <u>same number of</u> <u>classrooms</u>, making a shift in the number of grade level sections support the shift of students
- We will continue with comparable classroom spending and not add any new costly initiatives or supplies
- In collaboration with the teachers' union, we will only replace needed supplies and agree collaboratively to expand on the <u>professional development</u> of existing tech for teaching and learning rather than investing in new costly technology

How will we do this by area or object?

Let's take a deeper look.....

What revenue do we have coming in besides the money from the town?

Let's start with a Preschool Spotlight

Preschool Breakdown

Money In from School Readiness Grant=\$ 100, 800

This pays for one teacher salary, part of one paraprofessional salary, and their PD, along with other grant requirement (\$100,800)

Money in from Smart Start Grant = \$ 65,000

This pays for a second teacher salary and part of a second paraprofessional salary, along with other grant requirements

Money in from Quality Enhancement grant for PD=\$3,881

This pays for training (only thing that the grant can be used for) at zero cost to the taxpayer

Money in through tuition costs= \$ 90,000 (on an average non reduced COVID year)

The sole cost to this budget is the benefit package for the 4 staff members at a cost of \$72,952 to the BOE.

Title Grants (Title I, Title II, Title III, Title IV)

Grant	Year 2020	Year 2021
Title I	\$16,245	Zero dollars (no longer qualify for Title One)
Title II	\$ 3,628	\$2,632
Title III	\$ 406	\$ 522
Title IV	\$10,000	\$10,000

Total loss: \$16,000 in Title I \$996 in Title II

What do we use these Title Grants for ??

- Title I and Title II in 2020 (roughly \$20,000) went to help pay the salary of the Remedial Reading Professional (Mrs. Cariboni is in this role).
- Title III goes to our Eastconn Consortium (about \$500).
- Title IV for 2020 (\$10,000) partially funded the salary of technology (Mrs. Frazier is in this role).
- For this year we are only going to receive a very small Title II allocation, so Mrs. Cariboni's salary must be a part of the school budget. The Title IV allotted \$10,000 will fund all of the social and emotional learning and the RULER initiative expenses for the year.

Bottom Line for Preschool

- Two classrooms
- Cost to be budgeted for is only the benefits package for the employees \$72,952
- The displaced teacher will move to the shuffled classroom
- The paraprofessional position for preschool is eliminated BUT the displaced para will be moved to the vacancy left by a retiring teacher (she is certified) and NOT lose her job

Covid-19 expenses not planned for in the last budget

Includes items such as:

- PPE
- · Individualized supplies for the students
- Dividers
- Outdoor changes such as parking lot signs and relining
- Completion of 1:1 devices
- Extra nurse for beginning for the school year
- Bus monitors
- Remote learning software and additional licenses that need to be maintained
- Extra cleaning supplies and custodial needs
- Repair and maintenance for HVAC and additional air conditioning system changes
- Other adaptations such as the water fountains

Covid-19 relief money received to off set these costs:

Corona Virus Relief Funds: Round One \$18,736
 Round two \$25,000

ESSER Funds: \$13,457

Total received: \$57,193

Future funding is not guaranteed and therefore not included in proposed expenditures. At the time of the BOE adoption of the budget, Andover was told it will qualify for ESSER 2 funding at roughly 60,000.

BOTTOM LINE: NON-NEGOTIABLES, NEEDS, AND WANTS

Non-negotiables: Two union contracts have salary increases and changes to the medical benefits for our contracted staff members

2 students are still outplaced, and we continue to have magnet expenses

Supplies (including increases to cleaning and safety related that are no longer covered under grants)

<u>Needs</u>: To keep up with the progression of the HVAC and air-cooling systems as well as facility maintenance while not taking from the student supplies

Wants: Extra programming for students, outdoor equipment, playground, seating, etc. We will seek grants this year to supply the 'extras' as well as any help through PTA. No wants are in this budget.

Budget Total	\$3,902,400	\$4,158,243	\$255,843	6.56%	The total budget for 2021-2022 represents a \$255,843 dollar increase. A 6.56% increase over last year, although this percentage is skewed by the movement of funds while shut down to offset expenses.

55.92% and 19.36% (blue and green) of this proposed budget are negotiated salaries and benefits and by contract are non-negotiable for budgetary purposes for a total of 75.18%.
 9.17% (red) is tuition and transportation contracts.
 Total 84.35% is out of our control leaving only 15.65% of the proposed to examine.

What makes up the other 15.65%??

• 300's (\$254,410)is mainly contracted services as are the items in 500's (\$381,285) for a total of \$635,695

- Areas for conversation:
- In planning this means that we really only have flexibility within the 400's, 600's, and 800's.
- The combined total for these three proposed areas: \$392,625

This budget represents an increase of 6.56%

- This is a significant number for this year but doesn't show the whole picture.
- Andover Elementary School did not have to ask for any additional funding throughout the pandemic due to the federal funds we were able to secure and by reallocating the dollars saved while the school facility was shut down for six months. Further, we cut one bus for the entirety of this school year.
- Union contracts represented salary increases plus changes to the benefits .
- Health insurance consortium increase is locked in at 3.2% increase.

Our proposal of \$4,158,243 is less than:

- Last year, 2020-2021, Superintendent Doyen originally proposed a budget of \$4,391,000 and was granted \$3,902,400(a decrease of \$162,600 from year before and \$488,600 less than proposed).
- 2019-2020 the adopted budget was \$4,065,000 (a decrease of \$90,000 from the year before)
- 2018-2019 the adopted budget was \$4,155,000 (still roughly same number of kids)
- 2017-2018 the proposed budget was $\frac{4,320,821}{45,000}$ and the adopted amount was $\frac{4,275,821}{45,000}$ (a decrease of
- 2016-2017 the adopted budget was \$4,320,821(a 0% increase)
- 2015-2016 the proposed and adopted budget was \$4,320,821 (0% increase)
- 2014-2015 adopted budget was \$4,269,044
- This proposed budget is only \$3,243 more than 2019 when our student enrollment was roughly the same

Many Expenses that were paid in 2020-2021 were paid from the 2019-2020 budget

- A total of \$189,000 of additional expense were incurred in the present school year's budget (2020-2021). They were paid for from the 2019-2020 budget.
- If those expenses were added to the 2020-2021 budget it would have meant that we would have spent a total of \$4,091,400 (\$189,000 over budget).
