To: Zoning <zoning@andoverct.org>

Subject: public hearing

to whom it may concern:

I am writing in support of Jacob Surdam's application to operate his landscaping business from his home on Merritt Valley Rd. I am his next door neighbor, and I have no issue with this proposal. Jake is a hardworking young man, and his house and yard are always neat and well kept. It would be a shame to not allow him to maintain his business from his home.

Robin DeGemmis 97 Merritt Valley Rd. Andover
