INLAND WETLANDS & WATERCOURSES COMMISSION Permit #IWWC21-19

EFFECTIVE DATE: October 5th, 2021

EXPIRATION DATE: October 5th, 2026

Name and Address of Applicant and Property Owner:

Brenda and Wayne Fazzino
5 Whispering Pines Drive
Wallingford, CT 06492

Property to which this permit applies:

268 Lake Rd, Andover CT

This authorization refers to an application to conduct a regulated activity in and within 200-feet of Andover Lake in the Town of Andover.

The permitted activities within a waterbody and the upland review area include:

- **Restack existing lake wall, approximately 100-feet long and 3-feet tall, using existing and new stone. According to the application, the steps will be mortared, and the wall will be dry-stacked (no mortar). All work will be performed according to the revised permit application and site plan submitted on September 9th, 2021.**

The Inland Wetlands and Watercourses Commission of the Town of Andover, following investigation, and after reviewing the full record, has considered the application with due regard for the criteria found in the Inland Wetland Regulations of the Town of Andover. The Commission believes that the proposed activity, subject to the specified conditions, conforms with the purpose of Town regulations and does not violate any of its provisions or regulations governing wetlands and/or watercourses in the State of Connecticut. Therefore, this authorization will constitute the permit required pursuant to Section 6.1 of the Inland Wetland Regulations of the Town of Andover.

This permit is issued with the following Special Permit Condition:

- **The underground 4-inch x 50-foot cellar drainpipe will be terminated within the proposed 12-inch section of crushed stone that is between the northern edge of the lawn and the lake wall, eliminating the existing section of pipe that drains directly into the lake.**

This permit is issued with the attached Standard Permit Conditions (Page 3).

This permit is subject to, and in no way derogates, any present or future property right or any other rights or powers of the Town of Andover. This permit conveys no property rights in real estate or materials or any exclusive privileges. No permission, either express or implied, is given for any regulated activities other than those authorized in this permit.

This permit is valid for five (5) years from the date of approval. Any permit shall be renewed upon request by the permit holder unless the agency finds that there has been a substantial change in circumstances which requires a new permit application or an enforcement action has been undertaken with regard to the regulated activity for which the permit was issued provided no permit may be valid for more than ten (10) years. (Review permit section 310 of the General Statutes "Duration of Permit".)

The applicant will notify the Commission via its Agent 2 days before the permitted activity begins.

The applicant will notify the Commission via its Agent within 7 days of the completion date that the permitted activity has been finished.

ALL TOWN OF ANDOVER INLAND WETLAND & WATERCOURSES PERMITS ARE SUBJECT TO THE FOLLOWING STANDARD PERMIT CONDITIONS:

1. The Inland Wetlands Commission's Agent is to be notified 48 hours before the commencement and completion of any part of the activity.
2. The granting of this permit does not relieve the applicant from obtaining additional permits and/or approvals required by other agencies federal, state, and local. See item 2.11.
3. If an approval or permit is granted by another agency and contains conditions affecting wetlands and/or watercourses and the area one hundred feet from their flagged boundaries and two hundred feet from an area identified in section 1.6 by this permit, the applicant must resubmit the application for further consideration by the Inland Wetlands Commission for a decision before work on the activity is to take place.

Any permit issued under this section for the development of property for which an approval is required under sections 8-3, 8-25 or 8-26 of the Connecticut General Statutes shall be valid for five (5) years provided the agency may establish a specific time period within which any regulated activity shall be conducted. Any permit issued under this section for any other activity shall be valid for not less than two (2) years and not more than five (5) years. Any such permit shall be renewed upon request of the permit holder unless the agency finds that there has been a substantial change in circumstances which requires a new permit application or an enforcement action has been undertaken with regard to the regulated activity for which the permit was issued provided no permit may be valid for more than ten (10) years. Review permit section 310 of the General Statutes "Duration of Permit".

4. The applicant shall not assign or transfer this permit, or any part thereof, without the written permission of the commission or it's agent.
5. This approval is for the activity within the regulated area surrounding a wetland or watercourse as indicated on sheets **1** of the latest revised map submitted with the application. Latest revision: **09/07/2021**.
6. All activities for the prevention of soil erosion, such as silt fences and hay bales shall be under the direct supervision of a certified engineer, who shall employ the best management practices, consistent with the terms and conditions of this permit, to control storm water discharges and to prevent erosion and sedimentation to otherwise prevent pollution, impairment, or destruction of wetlands or watercourses. Erosion controls are to be inspected by the permittee weekly and after rains and all deficiencies must be remediated within twenty-four hours of finding them.
7. If any information provided by the applicant in the permit approval process is subsequently proved to be false, incomplete, or misleading, this permit may be modified, suspended, or revoked and the permittee may be subject to any remedies or penalties provided by law.
8. The applicant is to pay an additional fee of \$ **N/A** as determined by the IWWC agent from Section 19 (Fee Schedule) of the IWWC Regulations.
9. A copy of this motion and the conditions listed, when approved by majority vote of the IWWC members present shall constitute a permit for the activity described in the application and accompanying data when signed and dated by the IWWC Agent.
