Hi Jeff,

We are getting excited to get back out on the lake. To that end, I have attached our dock application with detail on the dock dimensions and location in the accompanying diagrams.

The plot plan may be a little confusing. The property was originally 2 separate lots (C3 & C4), and is now one lot. I attempted to show the approximate dock location relative to the old plot plan for C4. Please let me know if you have any questions or comments. I'd like to get ALMA approval as soon as possible, so I can get this submitted to Inland Wetlands. Thank you, Steve
