Special Meeting Site Walk Minutes

1. Call to Order

Chair Meghan Lally called the Special Meeting to order at 9:03 a.m. Chair Lally advised those present that the purpose of the meeting was to provide orientation to the site, and that discussion of the application IWWC20-21 was not in order.

2. Roll Call

Regular Members Present: Chair Meghan Lally, Vice Chair George Elliott, Jed Larson

Others present: Jim Hallisey (acting wetlands agent), Gerald Hardisty (authorized agent for property owner Manuel Correia), Kevin Arnesen (927 East St, Andover)

3. Site Walk

G. Hardisty showed the proposed location for construction of new residential property, associated driveway, & septic system. Wetland delineation flags were noted, as well as the remains of a boundary fence and test pits for septic. The general location of the proposed residence was indicated.

Questions were raised regarding the precise location of the residence and other features. Chair Lally inquired if locations could be staked, and requested that G. Hardisty provide further information regarding locations and boundaries.

J. Larson moved to adjourn, G. Elliott seconded. Motion carried 3-0-0  
Adjournment 9:21 a.m.

Respectfully submitted,  
George Elliott
