407 underdeveloped acres, should town actively market to builders?
Yes via real estate agents, not via spending to do so
•
Yes, depending on where and what marketing would cost
Yes, if we can do so without spending tax dollars from the general fund and without
impacting Andover's rural charm or property owners
Yes, by posting them on MLS or state town websites. Do not spend \$ to do so. Anything
that does not impact the environment or natural resources.
yes, Especially along route 6, no bomb making plant or gas infusion station. Safe and low
impact.
Yes, maybe some could use a little industry to help tax base. Dev along Route 6 would be
ok.
Yes, but with great zoning care. Do not turn this town into a string of car dealerships or
Walmarts. Instead look at Goats & Roses in Marlborough, local cafes and restaurants, no
franchises!
Yes, anything that is compatible with our infrastructure i.e. sewers, traffic and
environmental impact.
Yes, if near Route 6, would like to maintain rural nature.
not sure of the tax and school ramifications of this.
potentially, the properties/business should be compatible with the spirit of the town.
yes, if on route 6
yes, with a plan and strategy
No, depends on the business. No gas transfer stations.
yes, need more of a tax base, less burden on fixed-income seniors.
yes with due caution. Andover Plaza is an eye sore and terrible reflection on Andover.
please no large commercial like Walmart
yes, why wait need to utilize Route 6 traffic
Not all of the acreage please
yes, if the are for commerce
1/2 wet, 1/2 hilly
Yes, the town needs to develop a larger business base.
Need more details, costs and info
Yes, for commercial use only. Also depends on location.
only for voter approved businesses
yes, anything that brings in taxes and doesn't pollute.

		yes				yes, signage to welcome people	
56-65	30	for now			No, I don't think whoever would run the campaign is qualified.		Don't let committees with their own agenda spend money without a referendum vote.
56-65	12	undecided			yes, when I tell people where I live most haven't heard of it.		More adult recreational classes / activities (art classes, yoga, cooking or anything along those lines)/
56-65		yes	no, discussion prior to requiring transfer station stickers				
66-75			No, all boards do not have agendas and minutes on website. Website not informative.	Events are not reported or covered on the website or BOS - no recognition of Memorial Day, Veteran's Day fun day, no positive recognition of volunteers.	not sure, need more info/cost benefit	not sure, need more info/cost benefit	not sure, I am disgusted with the recent sexual harassment suit, building and grounds maintenance. BOS needs to follow the charter. They didn't submit a budget to the BOF until a few days before the BOF public hearing.
76-85		yes		Senior transportation actually available!	no, its not a Hartford or Bridgeport. I know the taxes are high but	Yes, nice idea. Inexpensive, uplifting and fun!.	
66-75	37	As long as I'm financially able.		I'm satisfied with the level of services	Would need more specifics in order to comment	I don't think its imperative	Seniors would be happier if you could adjust our property tax rate. Football for kids is not the wave of the future. Spending on athletic fields ignores the reality of concussion data and the attraction of electronic entertainment
56-65	40	yes		More ways groups in town can earn money from themselves. Farmer's Market hasn't had enough traffic to create enough money.		yes, do people know about our covered bridge and rail trails?	Great community / senior meeting center, along with ball field, play area - a complete "center"
46-55	17	yes		recreation department to include afterschool care, during vaca weeks and summer camps			
56-65	33	yes			yes, quiet suburb life, offering fabulous schools and outdoor recreation.		We moved here for a quiet life and central location where Hartford, MA and RI were easy to get to. Schools have been excellent along with library.
66-75	42	no		Small grocery store, not Convenience store	No, too little to offer	no, at 60 mph blink and you would miss it	
76-85		yes					include the transfer station cost in our property taxes.
66-75		no plansto leave		We are ok with our current services		Generally yes but route 6 is too dangerous	keep the rail trail maintained - highlight it in town brochures
66-75	32	yes					protect more open space and create more parks. Areas such as Burnap Brook would be a great place.
							Get rid of "good ole boy" atmosphere. I've lived here over 30 years and still feel like an outsider in the building.
76-85		Don't know, depends if I can afford it		a food store			
46-55	20					Yes, Welcome to Andover, Town with Country Charm	
66-75	25	yes		Access to lake for children in town without charging for membership			
46-65	16	yes		Town garbage pick up			longer town hall hours, get rid of dump fee

56-65		yes			no, increasing traffic – increasing crime. No adequate police protection.		
	building now	yes for awhile			no, I like the town to be and stay rural.	yes, welcome to Andover signs	
66-75	33	depends on tax and governor				Yes, nobody currently knows when they enter Andover	I would like to see some access to the hop river like a park for families to picnic
66-75	30	?		Anything to substantiate the amount of taxes we pay	no it would just waste more money		
66-75	52			No fees for transfer station . Andover is perfect, keep crime down and we will always bring in good families.		yes, but don't allow signs and ads on telephone poles. Real estate signs should have a max size. The new one on route 6 looks like a billboard.	The school is becoming questionable in terms of numbers. The children could be split up and sent to Bolton, Columbia or Habron. Events that occur in the town hall seem odd, what does everyone do on a work day? How many enter the town hall daily? Why is the town clark left with all the rough jobs?
