

Olde Andover Burying Ground Committee Special Meeting Minutes

Tuesday, July 20, 2021 6:30 p.m.

Attendees: S. Fish, M. Kurdzo, C. Palazzi, M. Tulman

Excused: B. Post

Absent: J. Ballard

Call to Order: M. Kurdzo called the meeting to order at 6:31 p.m.

Public Speak: None

Chairman Report: M. Kurdzo spoke about the "Beyond the Gravestone" and said Lisa had restored two brownstones and reassembled three marble headstones. M. Kurdzo said he is researching the maps to make sure the stones are placed in the appropriate sites. One stone Lisa had previously worked on had broken it was a tall marble stone and she will repair it at no cost. Lisa said work had been delayed because of the rainy weather.

Treasurers Report: M. Tulman gave an excellent report on the distribution of funds at this time. A total of \$4659 had been spent on stone repairs and our grant for Neglected Cemeteries will pay for \$3332. The difference of \$1327 from our last year's budget remaining would be used. There was a slight overage of \$141 that will be deducted from our current budget to make us whole. That will allow us \$1859 to use on more stone repair this year. M. Tulman will apply for the Neglected Cemetery Grant in 2022 when she receives the information from the state.

B. Post was excused and there was no further report on stone cleaning.

No other business was discussed.

M. Kurdzo motioned to adjourn at 6:58 p.m. seconded by S. Fish. Approved.

No further meeting was decided until we can either use the Community Room for a live meeting or have a zoom meeting. C. Palazzi will look into the best time and date we could meet live.

Respectfully submitted,

Cathy Palazzi

Catherine Palazzi

Secretary
