Mike stated he had contacted Lisa from Beyond the Gravestone and she said her husband would be repairing the Anna Daggett stone at no cost to us once he had time. Mike will follow up with Lisa.

Cathy suggested we apply next spring either March or April for money from the Hartford Foundation Advisory Group in our town. We should ask for money to repair stones. She also suggested we as a whole look into googling online to see what other companies in CT do the same work as Beyond the Gravestone and consider their cost.
