Jim,

I consulted with Fire Chief Ron Mike; we came to the conclusion that there are no issues with fire department access for this property.

Mike:

The owner of the property known as 43 Aspinall Drive has applied for a Special Permit to convert an existing one car garage in to an accessory apartment. The activity requires the approval of a Special Permit by the Planning and Zoning Commission. This requires the review/comment by the Fire Marshal. Towards this end please find the site plan on the town's web-site. More particularly, the site plan will be found on the PZC web page under current applications. The plan will be posted by the end of the business day Monday. It would be appreciated if you could take a look at the plan and offer your comment. Please do so in writing and forward to me at zoning@andoverct.org

Should you have any questions please contact me at 860.478.5631.

Thanks.
