Memo to Andover Fire Marshal:

Date: 5/18/23

RE Approval of Community Center Water Supply for Fire Protection

Mike Lester
17 School Rd
Andover, CT

Dear Mike,

The Town of Andover hereby requests that you review this application for sufficiency of water supply in case of fire. The proposed location is within 2500 ft of the dry hydrant located at Chamberlain Pond and appears to comply with section 18.6 of the Andover Subdivision Regulations.

The town would also like you to review this planset to insure that adequate access to the Andover Elementary School is accommodated during and after building construction

Eric Anderson

Title Town Administrator
