Job Estimate: \$ 40,843 Written Estimate Included? ☒ Yes ☐ No

Total Square Footage: Gazebo 1 = 420 sq ft Gazebo 2 = 138.5 sq ft

Detailed Description of Work to be Done:

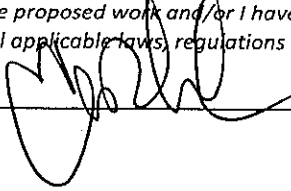

***Please see attached Maps and drawing ***

We would like to place 2 prebuilt Gazebos on our property so our clients can enjoy the fresh air out of the sun

- 1) 14'x30' gazebo in front of building near parking lot
- 2) 14' Gazebo at the rear corner of out building
- 3) 4' wide by 30' long winding cement walkway to front gazebo (1) for wheelchair accessibility

The garden barn will place down a ¾ crushed stone pad underneath both gazebos

Certification: I hereby certify that ☐ I am the owner of record of the above named property or ☒ that the owner of record authorizes the proposed work and/or I have been authorized to make this application as an authorized agent, and we agree to conform to all applicable laws, regulations and ordinances. All information within is true to the best of my knowledge and belief.

Site Work: 3/4in Crushed Stone Pad (max 8in out of level)			Building Total \$24489.00
			1 \$1087
Terms of Sale <input checked="" type="checkbox"/> SITE ACCESS: Prior to delivery, site must be clear of all obstructions including fences, trees etc. TBY is not responsible for damage to property as a result of delivery conditions. All branches, power lines and overhead obstructions require 13' minimum clearance. A minimum of 2' of width clearance on each side of your building is required. If you do not have the necessary space required to deliver, please send site pictures to your Sales Rep for evaluation, if needed a driver will be sent out at TBY's discretion. <input checked="" type="checkbox"/> DELIVERY: You will be contacted by our Delivery Coordinator. A confirmation call will be given the business day prior to delivery. We do not accommodate specific time requests, due to permit restrictions. Our driver will call when he is loading up at our lot to deliver your building. During and after delivery, we may take pictures and videos of your building for use in our advertising. These pictures and videos never contain personal information. <input checked="" type="checkbox"/> EXTRA WORK: Any extra work will be billed out at \$100 per hour (\$100 min.). Inability to deliver due to site issues will result in a \$75 rescheduling fee. <input checked="" type="checkbox"/> CHANGE ORDERS: Reasonable accommodations are made to process changes, however changes cannot be guaranteed after 7 days from your order date. Changes may result in delaying your building, and incurring additional charges.			Site Work Total \$1087.00 Delivery Total Before Tax \$25576.00 Sales Tax \$0 Grand Total \$25576.00 Deposit 04-30-21 CC \$8525.00 Balance Due on Delivery \$17051.00
<input checked="" type="checkbox"/> SITE PREPARATION: TBY site work covers a maximum of 8" out of level, obstructions and debris must be removed ahead of time, all left over debris will be left in a location of customers choosing, it will not be removed. Site work completed by the customer will result in additional charges for re-levels, customer must supply blocks ahead of time, driver will block ONLY the 4 corners, your building will be leveled, not your site. <input checked="" type="checkbox"/> PAYMENT TERMS: On Hold orders must have a minimum \$500 deposit to lock price. Full 1/3 deposit must be made for building to be taken off "Hold" and ordered. Final balance must be paid with check or cash at or before the time of delivery. Credit Card Payments must be processed ahead of time. All balances must be paid in full by December 31st (On Hold orders are exempt). <input checked="" type="checkbox"/> FINANCE TERMS: If applicable any promotion finance program requires minimum monthly payments, and will be processed regardless of delivery status. You should expect to receive a bill approximately 20-40 days from the date of order. <input checked="" type="checkbox"/> CANCELLATIONS: Full refund within 3 days. Store Credit less 20% re-stocking fee after 3 days. Orders 'On Hold' are not subject to restocking fee.
