Dear Jim,

On behalf of the applicant William Genovese, I am reporting to you the following regarding progress on the gravel pit.

1. The special seed for the turtle nesting area was not sent by the seed company. They said that seed should not be planted at this time of year or in the fall. It should be planted in the spring. I told Hank Gruner this and he told me he would ask Carrie, his adviser, for her recommendation.
2. There was no removal of material this week.

Please call me at 860-345-7337 if you have comments.

Respectfully submitted,

Christopher G. Bell, P.E.
