Dear Jim,

On behalf of the applicant William Genovese, I am reporting to you the following regarding progress on the gravel pit.

1. Hank Gruner said that Carrie, his adviser, has recommended the turtle area be seeded in the spring.
2. 8 loads of the graded sand material have been removed this week. There are approximately 15 loads left of the graded sand material.
3. The grass has taken very well in all restored areas.

Please call me at 860-345-7337 if you have comments.

Respectfully submitted,

Christopher G. Bell, P.E.
