Dear Jim,

On behalf of the applicant William Genovese, I am reporting to you the following regarding activity at the gravel pit.

1. Four loads were removed from the gravel pit this week.
2. Yesterday Hank Gruner informed me of the condition of the silt fence along the access road at the site.
3. Yesterday the Owner and I saw visited the site and noted that the silt fence along the access road was in need of repair and/or replacement. The Owner purchased a 200' roll of silt fence today and will have the fence repaired by next week.
4. I talked again to Hank Gruner regarding his concerns about the fence. I will keep him informed of the repairs.

Please call me at 860-345-7337 if you have comments.

Respectfully submitted,

Christopher G. Bell, P.E.
