Dear Jim,

On behalf of the applicant William Genovese, I am reporting to you the following regarding activity at the gravel pit.

1. Four loads were removed from the gravel pit this week.
2. The silt fence is repaired to about half way up the access road from the street. They are getting another roll of fence today. The remaining repair areas should be done by the end of the week.

Please call me at 860-345-7337 if you have comments.  
Respectfully submitted,

Christopher G. Bell, P.E.
