Dear Jim,

On behalf of the applicant William Genovese, I am reporting to you the following regarding activity at the gravel pit.

1. No loads were removed from the gravel pit this week.
2. The Contractor will not have the site graded in time for this month's meeting with Planning and Zoning. The owner and I will be assessing the site next week to determine how much more material will be removed and the schedule for the removal. Please inform the Commission we will not be attending this month's meeting.
3. The owner is obtaining the shrubs to plant in the nesting area and will be planting them shortly.

Please call me at 860-345-7337 if you have comments.
Respectfully submitted,

Christopher G. Bell, P.E.
