Jim, this letter is to inform you that I would like to be placed on the agenda for the August 2022 planning and zoning meeting. The purpose for my inclusion to the meeting is to dissolve the subdivision approval that was granted in 2011, along with the 19 'conditions' that were applied pursuant to the approval. The approved parcel maps have been sent to you to upload for the board prior to the meeting, so the members can view the pertinent info heading into the meeting. If it is appropriate, I would like to discuss possible scenarios for the development of my property going forward with the board that the town would look favorably upon. Or what the town and I think would be mutually advantageous from a development standpoint.

If there is anything more you need from me prior to the meeting, please reach out.

Regards,

Keith Grimaldi
