To the Residents of the Town of Andover:

Recently the RHAM BOE and Regional School District No. 8 passed a resolution to appropriate \$3,560,000 for the installation of a new turf field, track, and lighting at RHAM HS, and to authorize the issuance of bonds and notes not to exceed that same amount. If the majority of voters in Andover, Hebron and Marlborough vote yes on November 2nd, the measure will pass, and the taxpayers of the three towns will be responsible for this debt. The members of the Andover Board of Finance would like to publicly state that although we support High School athletics and the benefits to the student population, we are not in favor of this expenditure.

Andover just finished a long and grueling budget season, and finally passed a budget with a zero increase for the fiscal year. Immediately following that, this RHAM proposal was announced during the summer months, when most of the tax-paying public is busy or vacationing. As stated in multiple Town meetings, Andover has many items that need to be funded, and our budget is stretched to the limit. If the voters of Andover had wanted or approved spending more money, it would certainly be to address more pressing safety needs, bridge and culvert repairs, necessary road and tree work, supporting a Town Community Center for its residents, and certainly any Andover Elementary School needs that are currently not funded.

We do not support this plan, which will strain our finances for the next ten years. We are also concerned the actual cost will be much higher due to the required maintenance and the machinery needed to take care of the new field. It is our recommendation that residents vote NO at the referendum on Tuesday, November 2nd.

Respectfully,

Board of Finance
Town of Andover

Marc Brinker, Chairman
Board of Finance

Dear Chairman Brinker:

I am writing today to formally request the Board of Finance vote to approve a transfer of funds into the 2% non-lapsing account (also called the School Improvement Fund). The Board of Education has been informed, via the Superintendent and the Finance Director, that an unexpected surplus will be available after all encumbrances and audits are completed. I am aware that the "up to 2%" would mean that the final figure could not exceed \$78,048.00, otherwise the remaining balance will be surrendered back to the Town of Andover. We certainly are not expecting our surplus to exceed that number. Our Finance Director, Sherry Holmes, has informed me that this number will be about \$50,000. As a board, we have discussed this and hope that the BOF will support our ability to plan strategically for potential situations that could arise in the future. As you know, our Superintendent has publicly expressed a concern for potential unexpected student special education costs. Should one arise, a paraprofessional could initiate an expense of a potential \$50,000, an outplacement a cost of nearly \$100,000, and should the septic need be replacing a range of \$50,000-\$100,000. It is our goal to be as prepared to handle these scenarios on our own as possible knowing that next year's budget was voted on and will stand stagnant at a zero percent increase.

The unexpected surplus was a direct result of savings to our salary and benefit line items. Some small staff changes have occurred this year with contractors, and the gaps of time between old and new personnel also have added small pockets of savings. In addition, we implemented the change to the preschool liaison's hours, and had a substitute music teacher for seven months, a position that granted us the biggest savings.

I look forward to a confirmation from the Board of Finance with approval.

Sincerely,

Gerard Cremé
Chairman
Andover Board of Education
