

ANDOVER COMMUNITY GARDEN

May 24, 2022 - 6 pm EST

Meet at the garden, and if too cold/inclement, we'll be in the Community Room!

We acknowledge the traditional custodians of the land, the Mohegan and Wangunk Nations, and pay our respect to their elders past, present and emerging.

- There's not that much to do right now community gardening wise...
 - Any other ideas...?

5 mins

Pesticide application on border of the woods by TruGreen

- Talstar - flea and tick application in spring
 - Marcie Miner - "It's a surface insecticide. Wouldn't have any effect now. It basically kills any tiny insect it comes in contact with but doesn't have a long residual. So you should be fine."
- Vegetation spray in fall - our contact will call me to tell me what specifically this is
